

RAISING UP THE LOWCOUNTRY

A Mother's Love At Christmas

SPONSORSHIP OPPORTUNITIES 2023

Dear Friend,

We are excited to announce Raising Up the Lowcountry Foundation's third annual Gala for South Carolina's Lowcountry's single moms. Raising Up the Lowcountry is a 501c3 nonprofit based in Charleston, SC, that is committed to helping and supporting working single moms. Our founder, Frances Scott, experienced the struggles of being a single mom, but she always held on to the hopes and dreams of a better future. More than 40 years ago, she found herself working tirelessly to provide for her two sons and raising them to the best of her ability. Although the journey was tough, her story remains a testimony of faith and trust in God.

Frances did not always feel like she was doing it right or that she had all of the answers to her problems. Help was hard to come by, and she often doubted whether it would ever get better. Through it all, her faith prevailed, and she was blessed to see one son go on to have a distinguished military career, and the other now serving in the United States Senate. Her experience has led her to this place in time where she is committed to helping other young, single moms to overcome the obstacles they may endure. Their journey was once her journey. Now her desire is to walk alongside them offering words of encouragement, help and hope.

We need your support to help make this happen. Please join us as a sponsor of the Third Annual Raising Up the Lowcountry Foundation's Gala to help Lowcountry single moms. The event will take place on December 8, 2023, with doors opening at 6:30 p.m., at the Charleston Place Hotel located at 205 Meeting Street, Charleston, SC 29401. "**A Mother's Love At Christmas**" will shine bright when you help us change the lives of these single moms through your giving.

Thank you in advance for your generosity.

Sincerely,

Raising Up The Lowcountry Foundation
